XENA Installation and Operation Manual

The XENA Installation and Operation Manual is located on the Software CD shipped with your card. The manual is a PDF that you can drag and drop onto your hard drive or read directly from the CD. Adobe Acrobat reader is required to view the file. To provide you with the best documentation possible, AJA will periodically update the manual and place the latest version on the XENA Support page on the AJA website. Check this URL location for the latest version:

http://www.aja.com/support_xena.html

This manual covers the installation and operation of XENA card and KL-Box and discusses using it with AJA Machina software and 3rd-party applications.

Latest Software and Release Notes

To ensure you are running the very latest XENA software, also check the XENA support page for software notices, answers to frequently asked questions (FAQs), and new software versions: *http://www.aja.com/support_xena.html*
