

For demanding workflows, like 4K, we advise the AJA Video I/O card and the storage adapter be on separate PCIe buses.

AJA recommended BIOS 1.42 or later for the full support of all PCIe slots.

For maximum utilization of available PCIe slots when using a dual height GPU we recommend slot 4 for the GPU.

**4-lane PCIe slots can support the following AJA cards:
KONA 1, KONA LHi, KONA LHe Plus*

***8-lane or 16-lane Computer PCIe slots can support the following AJA cards:
KONA 5, KONA 4, KONA IP, KONA HDMI*

Expansion Slot Placement for HPZ8
