HDR Image Analyzer Impending End of Life Notification

Monday, August 31, 2020

AJA Video Systems is planning to officially End of Life (EOL) the **HDR Image Analyzer**, a 3G-SDI 1RU device for Real Time HDR Analysis with Waveform, Histogram and Vectorscope monitoring. HDR Image Analyzer (HDR-IMGYZR-88) has been superseded by the HDR Image Analyzer 12G (HDR-IMGYZR-12G). **The HDR Image Analyzer 12G** offers a superior feature set and connectivity options for today's image analysis workflows.

Last Time Buy date (LTB) will be [October 30, 2020](#), and the product will be removed from the price list by this date.

Last Time Ship date (LTS) will be [November 30, 2020](#), and the product will not be available after this date.

Continued End User Technical Support

HDR Image Analyzer purchased as new from an authorized AJA Reseller will continue to enjoy AJA's standard three (3) year warranty.

AJA Video Systems is providing advanced notice so you may contact your customers and integration partners to help them make arrangements to transition to HDR Image Analyzer 12G as necessary for their workflows.

Additionally, there will be no further updates to documentation specific to HDR Image Analyzer.

Please contact your AJA Sales Manager for further details.
